## GAINESVILLE CAMELLIA SOCIETY

**GAINESVILLE CAMELLIA SOCIETY (GCS)** is a local Society whose members meet in the fall and winter months and who present an annual Camellia Show during that period. Monthly meetings are held the third Sunday of each month, September through May, from 2-4 p.m. at the Kanapaha Botanical Garden, unless otherwise noted in the monthly newsletter. At meetings invited speakers give presentations devoted to the various cultural aspects of the Camellia, including grafting, air layering, pruning, and applying gibberellic acid for earlier and larger blooms. Dues are as indicated below. Membership entitles each household to the **GCS NEWS BULLETIN**, a monthly newsletter published during the months the group meets. Please complete the application below for membership in the Society.
