Grape Soda—

photo by Mary Kay Hall

Dear Camellia Friends,

An unusually harsh winter with the snow, ice and temperatures in the 10 –11 degree range is finally history. We sincerely hope the few freezing **nights just before Easter didn't hurt** the new growth in areas north such as North Carolina and Virginia. Weather had an adverse impact on **the “grown unprotected divisions”** in our spring shows.

Let's band together and overcome the tough times Mother Nature occasionally surprises us with by starting next year's camellia season with a wonderful convention of camellia admirers in mid-September. After all, it is only a few weeks later that another blooming season will produce gorgeous camellia blooms that will astonish us all. In fact, year before last, **Chuck and Bev Ritter put on a “one-man” show with every table at “The Litchfield-By-The-Sea party” beautified with spectacular early-blooming camellias.** Could that happen again this year?

We thank Donna and Pete Denton who again hosted the spring Board Meeting. The final planning for the 2014 Convention at Litchfield Beach took place. We set in motion the details for a fruitful and pleasurable weekend that all who participate will enjoy.

Kudos for much of the success for the fun-filled annual beach outing goes to Mack McKinnon, who is our local Low Country resident trustee for convention planning. We thank Mack for **dotting the i's and crossing the t's for the convention lodging and party venue.**

Of course we must give credit to Mama Bonnie Serpas for keeping us all in line with each small and large detail for virtually everything else. We also look forward to her Santee neighbor sidekicks to assist in making the auction come off in the usual well-choreographed manner. My only complaint is **that Buck's ability to charm the women seems to give women discriminatory bidding advantages.**

Now that we have things in place for the convention foundation, we ask the membership for support in making this meeting at the beach in September a memorable experience. Please be thinking of items to donate for the auction or even something special that would be fitting for the raffle. Remember, these two activities are virtually our only source of income. Thus, we need your help to move us forward from year to year.

It is certainly my hope that as you begin planning for your attendance this year that you also tell your friends of your experience and invite them to come along. It goes without saying that if you have had a good time in the past years, then your friends will find the beach experience equally rewarding.

Regards to all,

Jim

**Hold the Dates for our next
Atlantic Coast Camellia Society Convention!
September 19-20, 2014**

PLEASE NOTE:

If your email address is on file then **all** correspondence concerning the convention will be made solely through email. Only members with no email address will receive hard-copy information through the U.S. mail.

Join NOW!

(Membership is a great gift for friends & family!!!)

The Atlantic Coast Camellia Society

We are a society that wants more members to help us promote the science of Camellia culture by exchanging knowledge & ideas with Camellia specialists, provide information about shows & social events & join us at our annual meeting the third Saturday in September each year. Annual dues are \$15.00 per year for singles or couples. A membership entitles you to a journal published in January, May, & September. To join, send your check & personal information for receiving communications & journals to:

ACCS
Bonnie Serpas
229 Green Street
Santee, SC 29142

Membership Form
ACCS Annual Dues, August 2013-July 2014, Single or
Double \$15.00
